Eureka VFW Post 6786

A potential national breakthrough in veterans' health care is being piloted in an unlikely rural location

n Wednesday 16 October, VFW Post 6786 in downtown Eureka held the grand opening for the U.S. Department of Veterans Affairs' first remote teletech exam room, dubbed the VA "Atlas." The exam room - a small, private pod for virtual appointments with doctors in the VA health network - was installed in Eureka after the VA identified the post for its isolation and inaccessibility to veterans' health-care services.

Even in good weather, Eureka is an hour's drive from the nearest hospital and over four hours from the VA Medical Center in Helena.

The project is a collaboration between the VA, VFW, the American Legion and global health-care company Philips. It is part of VA Secretary Robert Wilke's efforts to improve health care for veterans, and especially the 5.2 million rural veterans the VA says it serves.

"About a year ago, the secretary stated as his highest priority that every veteran would have access to health care," said Deborah Lafer Scher, executive adviser to the Secretary of the VA, at Wednesday's ceremony. Atlas was conceived to "bring [health care] to rural veterans across America in a way that was personal to them, convenient to them, meaningful to them and addressed their needs," she said.

"You have come together and solved one of the biggest challenges that we have in health care: how do we deliver high-quality health care to rural Americans," she added.

National representatives from the VA and Philips began meeting at the Eureka VFW as far back as a year ago to gather input on how Atlas would be most useful to veterans. "It's not just about providing some technology ... so we came here, we sat in this

room for two days," said Sean Hughes, head of design at Philips North America. "When we showed the concept here - and you know, it's a slightly older

community - they were like, this is amazing," he said. He said they gathered input about every aspect of the telehealth experience - the

"end-to-end journey" - from making the initial appointment to ensuring patient privacy at every step of the process.

"People want to have acoustic privacy; they don't want to have their medical conversations overheard. They want visual privacy, so nobody knows who's in here

and [they won't] be disturbed during their visits," Hughes said.

Inside the Atlas pod, hospital-quality chairs sit just across from a screen that is large enough for the doctor to appear life-size and make eye contact with the patient. The doctor is equipped with a camera they can control to zoom closer to the patient. A dermatologist, for example, could observe a skin condition just as well as a doctor in the room.

The pod is equipped with WiFi-enabled medical devices, including blood-pressure cuffs, glucose meters and electronic scales. These are linked to a high-speed internet line that allows the doctor on the other end to see the results in real time.

There are also various lighting settings inside the pod that change the color temperature. One setting is calibrated so doctors can see the patient's exact skin tone, while another is a blue-tinted "relax" setting designed to calm down nervous patients before the appointment.

Hughes said there is a deliberate purpose behind the engineering of every element of the Atlas. For instance, all the material inside is bacteria-resistant and bleachcleanable, and the light-blue backdrop behind the patient is optimized for doctors to look at a patient's skin.

(L-R) Post 6786 Commander Richard Weldon, Deborah Lafer Scher, executive advisor to the Secretary of the VA and VFW Commander-in-Chief William "Doc" Schmitz.

William "Doc" Schmitz, the National Commander-in-Chief of the VFW, is optimistic about the possibilities of the Atlas technology.

"This is something out of the future that came to now. This is gonna impact the health-care market in general, not including just veterans," he said.

COMMANDER'S REPORT

Comrades, What a wild ride it has been since 1 July 2019. More travel than I could imagine but what a great experience. I have really enjoyed meeting and visiting with everyone and I

thank you for the

Greetings

HAROLD "BUSTER" WHEELER

hospitality and support you have shown me. We have accomplished a great deal so far this year. The opening of the telehealth center in the Eureka Post is a great accomplishment. I am really proud to have the honor of our state having the first one of its kind in the nation. My thanks go out to the Commander and Quartermaster of Post 6786 for all their hard work to get this project up and running. Rich and Melody Weldon, you folks ROCK. I am also happy

to say that as of the time of this writing, we have ten Posts that are 100 percent in membership. We still need to continue to push membership at every opportunity.

Please continue to push our state raffle. If you have a canteen make sure your servers are aware of our raffle. We have done well with the project so far but we still have a ways to go.

The Department Junior Vice- Commander position is currently vacant and the Council of Administration will vote to fill it at the Mid-Winter meeting. If you are interested in running for that position let your District Commander know.

I wish everyone a safe and happy holiday season and remember I am here to work for you. If you need anything do not hesitate to let me know.

Yours in Comradeship, Harold "Buster" Wheeler **State Commander**

SENIOR VICE COMMANDER'S REPORT

At the National Convention in Orlando Florida, our Sr. Vice Commander, Rose Arnold, announced her resignation as her family was moving to Tennessee. This was a matter of family first and

RON MERWIN

Comrade Arnold had to make a tough decision. Rose would have been our first female Department Commander. As the new State Jr. Vice Commander, I was moved to the Sr. Vice Cdr. position. I want to thank all of you for your support and ask for your continued support with our Department in mind. In January, at the 'mid-winter' conference, a new Jr Vice Commander will be elected for the Department vacant position. If you are interested in running for this opening you should plan to attend 'mid-winter'. The voting will be done by the council of administration.

In celebration of the success of the departments membership achievement a really neat coin is available. If you haven't got one yet you should get one cost is only \$15.00 and it helps support membership. The entire leadership team appreciates the hard work you have put forth in order to make this come about. However, we can't relax. We need to continue now with the 2019-2020 membership year and strive to maintain our 'Montana Standard' of 100%. We need to get moving on this as we are behind right now.

Since the convention in Orlando it has been almost non-stop activity. There was the Troy picnic followed by school of instruction. Then the National President of the Auxiliary, Peggy Haake from Maui visited in Whitefish and Kalispell. Following that was district meetings in

East Helena, Ronan, Glasgow, Glendive, Lewistown and Absarokee and Jr Vice Cdr. training in Kanas City.

The trip to Kansas City was a very informative and inspiring training event. The professionalism and dedication of our VFW Headquarters staff is really impressive. There is so much that goes on to support our organization that it was truly an eve opener to tour the National Headquarters.

Most recently the ribbon cutting of the Project ATLAS (Accessing Telehealth through Local Area Stations) project in Eureka was a major historical milestone for rural Montana and other rural areas across the country. This event was attended by many dignitaries including our Commander in Chief, William J 'Doc' Schmitz. We had National Commander 'Doc' Schmitz, Montana Commander Harold Wheeler, District 1 Commander Fred Hamilton and Post 6786 Eureka Commander Richard Weldon all in attendance. Also there was Chief of Staff Jack Hawley, Quartermaster Adjutant Tim Peters, State Service Officer Dan Arnold, National Council member Art Widhalm, Judge Advocate Ken Herrmann and myself, Sr. Vice Commander. Besides the Eureka post 'Doc' and many of us also visited Whitefish, Libby and Troy posts.

I have had the pleasure of meeting many of you at the district meetings and school of instruction. I look forward to meeting you and others at the mid-winter meeting in Great Falls in January. Plan to attend, let's make it a really good gathering. See you there!

Our success as a Department will only come about if we work together! Thank you and God bless you for your service to our great country and your continued service to your community!

CHAPLAIN'S REPORT

Comrades, and

I am praying

for each of you &

your families, that

vou have a very

safe, happy, and

blessed holiday

season. Well, the

District 2 meeting turned out to be

Auxiliary,

JIM PORTER

just a meeting of about 10 or 12 people because of the weather. The highways were very slick, and definitely not worth traveling on if you didn't have to. Hopefully, some of the other district meetings will have better weather and better highways to drive on. The roads in most of the state are snow covered again with this latest storm. If you don't have to go anywhere, DON'T. It is just not worth it.

I believe we are doing quite well on membership, but Comrades, let's keep up the hard work. Let's us work towards making Buster's year as Commander with a finish like Commander Fletcher's. Let's try to be #1 in the world for a second year. That would be terrific.

This is going to be a rather short article this time, as there is more snow to move. Let's keep thinking about the Mid-Winter at V.F.W. Post 1087 in January. It would be really nice to have a really good turnout for that as well.

So, let's all work on membership, try and get some members of your post or district to get in to the Legacy Life Program, and, last but not least, PLEASE, let me know if there are any sicknesses or deaths in your post or district so I can get an appropriate card on the way.

May you all be safe until we meet again and May God Bless each of you & your families.

Jim Porter State Chaplain

NATIONAL COUNCIL REPORT

Before our National Council meeting the end of August, I was privileged to be the representative for both National and the Department of Montana recognizing Post 173 at their 100th birthday celebration. Post 173 is the oldest post in Montana, getting their charter when the Organization was only 20 years old. Commander Morgan Lekvoldt and Quartermaster Paul Kanning put on a very well presented program. They told of the History of their Post from its beginning to include the soldier their Post is named after, Selmer Oie.

During our Council meeting Commander in Chief Doc Schmitz announced his membership incentive to increase

ART WIDHALM

numbers of our life members. Any member who signs up as a life member or renews as a life member, between September 1, 2019 and June 30, 2020 will receive a \$50 gift certificate for the VFW Store. For payment plan members, their entire payment must be done by June 30, 2020 so those who are not scheduled to be completed by then must pay early. The gift certificate must be used

by August 30, 2020. My Post sent out a letter to all our annual members and has had 3 members convert to life membership. The offer also works for new members.

The annual National budget was approved which includes a \$1,000 grant for Posts and Auxiliaries who want to improve their Post appearance or function. The application can be obtained and filled out on line. There is only \$100,000 in this account so don't delay in applying.

Also approved was a new pay scale for the top National officers The Commander in Chief receives the highest wages with the other officers/appointees at a lower scale.

If you have any questions or concerns for me as your National Council representative, please email me at chiefhunter2u@yahoo.com or call home 406-524-3761 or cell 406-942-0668. Our next scheduled Council meeting will be in Washington DC in March.

What is a Legacy Life Member?

A Legacy Life member is another level of the VFW life membership program. It is intended to give our life members a way to leave a lasting legacy to the VFW. Future generations will know you not only for the sacrifices you made as a veteran but for the contributions you made as a member. That's a legacy to be proud of. When you become a Legacy Life Member, you are helping us strengthen the VFW where "NO ONE DOES MORE FOR VETERANS". There are 3 prestigious levels of Legacy Life Membership are available, (Gold, Silver, or Bronze). Each level offers generous benefits reserved exclusively for Legacy Life Members. Once your Legacy Life Membership begins, an annual endowment in you name will be made to your Post, Department, and the organization. You will feel confident knowing your contributions to our organization are helping not only today's veterans but the veterans of tomorrow. Future generations will know and remember you for the sacrifices you've made during your time in uniform in addition to the contributions you've made as a VFW Legacy Life Member. You will always be a member of your Post even after you're gone. Now Legacy Life memberships can be purchased for deceased life members, this is a great way to honor our past life members and keep them on the rolls of your post. "My prediction is, the VA is gonna have to hire more people to handle this. Because more people are gonna come forward for more thorough exams and conversations. They will be open to see their doctor more frequently."

Schmitz said the technology will take away veterans' excuses for not seeing their doctor or getting check-ups on pressing health matters, no matter where in the country they are. He explained he could even request to see a doctor while he is traveling, if he can access a VFW post equipped with Atlas technology.

He said the technology can serve densely populated, urban areas where the demand can make it difficult to see a doctor at a VA medical center or clinic.

"You've got that many people, how the hell is the VA gonna see everybody?" Schmitz asked. "Our waiting room will only hold so many people ... So you might be seeing a dermatologist in Chicago, and you're in New York City.

"So this is applicable to even overcrowded areas with a facility that can't even handle the volume," he said.

The VA hopes to install two more prototypes by the end of the year, in Linesville, Pennsylvania, and Los Banos, California. The project coordinators hope to get enough feedback from the pilot Atlas locations to move on to deploying the pods at a larger scale.
